## Give Him Praise!

BY REV. RAZMIG MINASSIAN

It's electrifying. It's dynamic. It's loud and engaging, yet it's inviting touching the heart of every camper. As I think about the times of worship at camp, I'm reminded of Psalm 100 - the Psalm of praise. It begins with the word SHOUT! not in an obnoxious way, but in excitement, "gladness" and "thanksgiving" - joyfully entering into God's presence. Campers run to their seats and can't wait for the band to lead them in singing and worship. Jesus is at the center of our worship times at Camp AREV. God is glorified through every song, every scripture reading and every speaker that shares the truth of the gospel. Can you imagine life without praise? God continues to do more than we can ask or think on the mountain. This is holy ground and we praise God for it. Join us one day and experience it yourself.

We trust that God will do more than we can ask or IMAGINE.
